

Financially assisted weeks at Alnäs Summer Camps

KFUM Uppsala outdoor recreation center Alnäs organizes summer camps for children and young people every year. They are day camps that run from Monday to Friday from 10:00 AM to 3:15 PM. A cooked lunch is served every day, and we offer free buses to and from Alnäs. The buses start in Stenhagen, Fyrishov, and Gamla Uppsala.

We offer free spots for families who, for any reason, are unable to pay. Since the number of spots is limited, an application is required, but our hope is to provide every applicant with a summer camp experience at Alnäs.

Financial assisted weeks are offered even if the child has a protected identity or does not have a Swedish personal identity number. If this applies to your child, contact us and we will help you with your application.
